**159 (006) COUNTY COUNCILLORS REPORT**

NCC had been strangely quiet as the Council moves from the Committee system, to a Cabinet system in May. County Cllr D Roper would report the damaged road surface at the Stratton Road/Church Road junction to highways.

There were two incidences of crime for the period January 2019. 1 incidence of criminal damage and 1 of violent disorder both located on the Shorthorn Road.

**161 (008) CLERKS REPORT**

The Clerk had received confirmation from NCC Highways that the pedestrian crossing signs had been installed in both directions along the A140 Cromer Road. The Clerk had been notified that the Cromer Road sign on the A140, as well as the footpath sign near Woodmans Farm had been damaged. NCC Highways confirmed that they would look at the damage to these signs. The grips had been cleared along both the A140 and Shorthorn Road. The Clerk had circulated papers from the NACC meeting prior to the meeting. The Parish Partnership scheme had notified the Clerk that there would be a delay in confirming the funding source for the SAM2 bids. It was hoped that this would be resolved by the middle of April. The Clerk had received confirmation that a contested election would not be required for the Parish Council. Five candidates would be elected to the Council from 2 May. The Council wished to thank Cllr J Sayer and Cllr T Dann for all their hard work.
